

Myrtle Beach TEA Party

“The Next Steps”

Educate • Inspire • Empower

July 11, 2009 • 5 pm - 8 pm

Grand Park at Market Common

Farrow Parkway • Myrtle Beach, SC 29577

DONATIONS:

We are part of a collaborative volunteer grassroots initiative to protest big government spending, big government growth, and the inevitable taxes to pay for it all. Individuals, retired folks, and small businesses are the most severely impacted by the direction that our government has taken since mid-2008.

Our peaceful, family-friendly rally on July the 11th aims to educate, inspire, and empower everyday Americans in our area by providing a public discussion forum at Grand Park in the Market Common. The silent majority is no longer silent.

Our Tea Party Rally is an absolutely free event so we must rely on sponsors, cash donations, and donations of products and services from businesses and individuals. You can donate online at mbTeaParty.org.

If you cannot make a cash donation at this time, you can support the Myrtle Beach Tea Party Rally with your products & services. Beyond specific needs for our rally, we can use your products or services in fundraising activities and/or to extend our marketing efforts. All contributions of products and services will be acknowledged on our web site and at the event.

We are in particular need of photocopy services. If you do provide this service to us, you can additionally stamp your company's logo and address in a blank area of copied documents (provided this data does not obscure our content).
