

ACTION PLAN

Be an informed Patriot:

1. Research for myself.

Sources:

- AskHeritage.org - Heritage Foundation
- CBO.gov - Congressional Budget Office
- Congress.org - Congress Website
- PolitiFact.com - PolitiFact
- ResistNet.com - Patriotic Resistance

2. Make an informed decision.

- What does it mean to me?
- Does the legislation support my core values and principles?
- How will it affect me?
- Will it allow me to keep what I have?
- Will it enhance or preserve my freedoms?
- Will it limit or increase government control of my life?
- Will it preserve my standard of living?
- Will it affect my ability to provide for my family?
- Will it allow me to keep more of what I earn?
- Will it establish, fund, or grow government programs or policies I oppose?
- Will it deny my children and grandchildren an opportunity to prosper?
- Am I willing to pay additional taxes to support this legislation?

3. How will it affect the country?

- Will it create or destroy jobs?
- Will it create more debt?
- Will it affect the economy?

4. Do I trust politicians to deliver what they promise?

5. Make my opinion known.

- Contact my politicians on a regular basis.
- Multiple contacts by any means are effective.
- Contact the House and Senate leaders.
- Contact the bill sponsors.
